

BSL Buddies

Conversation Skills 2

When you have practised the BSL Alphabet and are feeling a bit more confident, try signing the words below. They contain all the letters of the alphabet:

cat big wig old fox buzz in out to soak feet sail
huge have coat rain camp joke each then jail quit you

You could then try signing objects around your house.

Practise signing 'My name' (is) and fingerspell your name. You can then add this into a conversation.
