## Conversation Skills 3

### BSL Kim's Game

1. Put some objects from your house on a table or tray.
2. One person is the signer and fingerspells the letters of an object.
3. Give a point to the person who answers correctly.
4. When all the objects have been used, the person with the most points becomes the signer.

### Conversation practise

Try adding where you live and some of the emotion signs into your conversations.
